Awards

Academy of Math and Science Scholars

November 2022

A financial, peer and professional support program for students pursuing a stem degree. The academy has bi-monthly meetings with dedicated academic advisor to inform students on education and career and a monthly cohort meeting where students interact with recruiters, guests and other Stem students.

Rex Gaskill Memorial scholarship

May 2023

I am honored to have been awarded the Rex Gaskill Scholarship, a prestigious recognition that attests to my academic excellence and commitment to global education. This scholarship, granted in recognition of my outstanding achievements, has significantly contributed to my pursuit of higher learning and cultural enrichment through an international study program.

Grant from CC Smart

September 2023

I am proud to highlight my recent accomplishment in securing a substantial grant from CC Smart for a cutting-edge project incorporating Virtual Reality (VR) headsets as means to alleviate the effects of Alzheimer's and Dementia. This grant, awarded to Phi Theta Kappa, signifies my ability to successfully conceptualize and pitch innovative projects, as well as effectively communicate their value to external stakeholders.

Certifications and Licenses

Driver's License

Phi Theta Kappa membership and officer role

March 2023 to Present

Phi Theta Kappa is an honor society for college students who have a GPA that reaches or exceeds 3.5. I also work as an officer as the Vice President Of Scholarship for the organization at Normandale Community College.
